**Certificate No. 2936-CPR-003**

**concerning initial inspection of the works and the factory product control**

According the Regulation No 305/2011 (Construction Products Regulation) of the European Parliament and of the European Council of 9 March 2011, it is hereby certified that the construction product:

Trade name: **HAZ Metal - HB-11 undercut anchor**

Product family: **Fastener for rear fixing of facade panels made of natural stones according to EN 1469**

according the European Technical Assessment **ETA-17/0402** of **13 December 2018**

Manufacturer: **HAZ Metal Deutschland GmbH  
Alfred-Zippe-Str. 1  
97877 Wertheim  
Germany**

Manufacturing plant: **HAZ Metal Turkey  
Akçay Sanayi Bölgesi, Şhit Er Ali Cıracı Caddesi No. 10  
31200 Iskenderun, Hatay  
Turkey**

is subject to factory product control by the manufacturer.

The Notified Body FFCert GmbH (NB 2936) has checked the documentation of the factory product control on **2022-05-24** at the manufacturing plant.

This certificate confirms that the provisions laid down in the testing plan to the **ETA-17/0402**, which concern the attestation of conformity and the performance characteristics of the product, have been applied.

The certificate is valid until the **2023-09-30**.
